

## April 2020 Newsletter

All,

We want to assure you that we take the health and well-being of our Chisholm Trail District very seriously. Like you, we're closely monitoring the quickly developing effects of the Coronavirus (COVID-19) pandemic. To help prevent the spread of COVID-19, we ask you to continue practicing social distancing, and maintaining an attitude of helpfulness and cleanliness with all that you do come in contact with.

For more information about COVID-19 and what you can do to keep healthy and safe, visit the Centers for Disease Control at [cdc.gov](https://www.cdc.gov), or our local health department's websites:

We are all in this together. We will continue to track the COVID-19 situation and will follow guidance from public health officials and government agencies so we can continue to support our Scouts and Scouting communities as needed.

## Wondering about Day Camps?

### Fingers crossed...

As you can imagine, we are closely monitoring the situation for all Scouting activities, including our two Cub Scout Day camps. As of right now, we are still planning to hold both camps, but we will continue to assess whether they can move forward as we get closer to June.
